APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A substantial headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed One cubic foot per second.

Actual construction work shall begin on or before May 10, 1920.

Proof of commencement of work shall be filed before June 10, 1920.

Work must be prosecuted with reasonable diligence and be completed on or before May 10, 1921.

Proof of completion of work shall be filed before June 10, 1921.

Application of water to beneficial use shall be made on or before October 10, 1923. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 10, 1923.

Proof of labor filed JUN 10 1920 WITNESS MY HAND AND SEAL this 10th day
of March, 1920.

Proof of compilation of work filed NOV 7 1921

Cultural Map Filed Oct. 27 23
